About Us

Our company was established in 2015 to carry out a special mission to provide access to the finest quality of laminate sheet all across the globe. Together as a team, we have the vision to prosper in our covet domain. To date, our company is one of the progressive and dynamic organizations in the laminate industry sector of India.

Shinemica Laminate Pvt. Ltd. is one of the preeminent high pressure decorative laminate manufacturers located at Morbi, Gujarat, since 2015. At Shinemica, we strive for authentication over replication. Manufacturing the best quality has been our prime concern since our existence. With a large-scale factory area and a team of cooperative professionals, Shinemica has its own competitive superiority to endure in the contemporary domain of decorative laminate sheet. It all started with a dream to supersede in the domain of decorative laminate sheet with par excellence.

Shinemica furnishes a wide range of Decorative laminate sheet series in a variety of luxurious paper designs with attractive structure, all products are manufactured to meet international standards. Altogether, this makes Shinemica a growth devoted organization where we strive for progress beyond perfection.

ShineMica[®]
Laminate Pvt. Ltd.

WE
CREATE
Luxury
FOR
YOU

From subtle textures to bold patterns, our collection reflects artistry that turns your décor into a masterpiece.

Luxury

Not just laminates – it's an expression of grace, charisma, and refined living. Our latest designs celebrate modern elegance, giving your spaces an aura that lingers.

Our latest designs celebrate modern elegance, giving your spaces an aura that lingers.

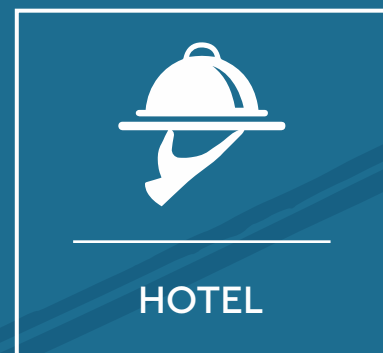

WE CREATE Luxury FOR YOU

We are not just makers of laminates, we are creators of atmospheres. Our collection blends innovation with artistry to deliver designs that enhance spaces and elevate lifestyles. From classic to contemporary, our laminates bring charisma, grace, and enduring style to every corner of your home or office.

APPLICATION

A diverse range of designs and textures, ensuring that there's a perfect laminate solution for every area of your space. Dive into the possibilities and let our laminates redefine your spaces.

FEATURES

Experience Laminates in 360°

Step into a new way of exploring surfaces. Each laminate design comes with a unique QR code—scan it to unlock a 360-degree view of how the design looks in real spaces. It's an innovative, immersive, and effortless way to make the right choice for your interiors.

TECHNICAL SPECIFICATIONS

PROPERTIES	SPECIFIED VALUES AS PER IS:2046-1995	SHINEMICA CONFORMS
Thickness	1 mm (+-10%)	✓
Resistance to Surface	350 (revolution)	✓
Resistance to immersion in boiling water	10.0 Max	✓
- Mass increase (%)	11.8 Max	✓
- Thickness increase		
Resistance to dry heat 180 degrees C	Not worse than 4	✓
Dimensional stability at deviated temperature		✓
- Longitudinal (%)	0.5 Max.	✓
- Transverse (%)	0.9 Max.	
Dimensional stability At 20 degrees C		✓
- Longitudinal (%)	0.375 Max.	✓
- Transverse (%)	0.60 Max.	
Resistance to impact by small diameter ball	20N Min.	✓
Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2N Min.	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wool standards)		✓
- In Xenon arc light	Not worse than 6	✓
- In enclosed Carbon arc light	Not worse than 5	
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	✓

*All tests may not be valid for embossed & metallic laminates

Product: High Pressure Decorative Laminated sheets

Size: 2440mm x 1220mm (8x4)

Thickness: 1 mm (other thickness available on request)

Product conformity to: British European Standard-BS EN 438. American Nema ID-3. BIS (Bureau of Indian Standard) is 2046

Limited Warranty:
SHINEMICA warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by Shinemica. It excludes damage resulting from accidents, abuse or lack of care, improper use and/ or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. Shinemica Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assure obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

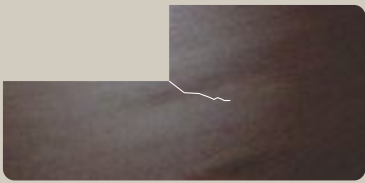

Care & Maintenance: Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.

Note:
Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/dealers/stock point or Shinemica gallery.

FREE TRADE SAMPLE, NOT FOR SALE

No claim will be entertained for air bubbles

Cutting a laminate sheet at an angle of 90 degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting at an angle of 90 degrees.
